Re: Notice of Delinquent Permit Fees, Minerals Reclamation Program, Magic Mountain Mine, S/017/025, Garfield County, Utah

Dear Mr. Blackham:

This is the second year for the implementation of the annual permit fees, as authorized by the Utah State Legislature during the 1998 legislative session. The purpose of the fee collection is to provide funding for additional program assistance in processing and maintaining mining and exploration permit applications and for inspection of those sites. As a result of the fees received to date, we have been able to fund one additional technical staff member for the minerals reclamation program. The Minerals rules have been updated to include the requirement for payment of annual permit fees. The rules require annual payment of permit fees by the last Friday of July as authorized by the Utah Legislature.

As you were made aware in the 1998 billing notice, if the site is fully reclaimed and you do not wish to keep your permit active, you may check the box requesting a site inspection. This will suspend your fee payment until the Division can perform a site inspection. If the site is stabilized and meets the 70% pre-mining revegetation success standard, then the operator can be released and the case file closed.

To date, we have had no response from you regarding the payment of the required annual permit fee. Our file records indicate that the permit is still active for this site. The annual permit fee(s) must be filed to keep your permit in effect. We are now in the second year of permit fee assessment and you are responsible for the 1998 and 1999 fees. If payment or a written response is not received from you by July 30, 1999, we have no other alternative than to seek revocation of your permit and turn your account over to the the Utah Office of Debt Collection

(ODC) for collections. You will be responsible for past due interest, penalties, and a collection fee. Revocation of your permit will not release you from any outstanding reclamation requirements on the project area. Please help us avoid this action by contacting us immediately.

If you have any questions regarding this letter, please contact me at (801) 538-5286 or Joelle Burns at 538-5291. Thank you for your immediate attention to this matter.

Sincerely,
